

Job Posting

Nursing Facility Transition Navigator

November 9, 2018

Disability Network of Mid-Michigan (DNMM), a non-profit organization advocating for people with disabilities, is hiring a full time Transition Coordinator for its Nursing Facility Transition program. The primary job functions of this position are to:

- Provide direct service to Medicaid recipients residing in nursing facilities, who desire to live in the community
- Assess the needs of consumers
- Arrange for, schedule, coordinate, and assist with consumer transitions
- Provide follow up services, including coordination and support
- Collaborate with Nursing Facilities and other Agencies to facilitate the consumer's move to the community
- Provide information and referral services as requested

The ideal candidate will have experience with advocacy and disability, knowledge of person centered planning/self-determination as it relates to people with disabilities, and experience in accessing community based resources. Experience with maintaining a caseload and required documentation is preferred.

Educational qualifications:

- 1) Registered Nurse licensed in the State of Michigan, or
- 2) Social Worker licensed in the State of Michigan, or
- 3) Non-licensed or other licensed health care professionals with a bachelor's degree in a health or human services field **or** Community Health Worker certification, **and** at least three years of experience in the provision of health or social services.

Details of the position:

- Mileage reimbursed (regular travel to multi-county area is required)
- 40 hours per week
- Benefits: paid time off, medical, group life, long term disability insurance, and AFLAC benefits are available
- EOE/AA
- People with disabilities encouraged to apply

Please submit a cover letter and resume by 11/23/18 to:
